PROFESSIONAL SUMMARY

North Carolina Certified Paralegal and public administration professional seeking to contribute a multidisciplinary background in legal, healthcare, financial, nonprofit, and higher education administration to a high-level role requiring sound judgment, confidentiality, policy awareness, and operational accountability. Brings a strong ability to review complex information, identify issues, communicate professionally, support compliance requirements, and produce clear documentation that strengthens decision-making, risk management, and organizational performance.

WORK EXPERIENCE

Account Manager

Durham Technical Community College | Durham, NC

2025 - Present

- Manage higher education financial administration functions involving student accounts, sponsor billing, third-party funding, Veterans Administration funding, state and federal support, payment processing, refunds, collections, and reconciliation.
- Review and verify financial records, account activity, authorizations, eligibility documentation, and compliance-related data to support accurate institutional decision-making.
- Analyze account discrepancies, funding issues, payment records, balances, and student account trends to support resolution, reporting, and operational compliance.
- Coordinate with Financial Aid, academic departments, sponsors, students, and leadership to resolve account concerns using professional communication, confidentiality, and policy-based judgment.
- Develop and maintain Standard Operating Procedures, internal controls, process documentation, and audit-ready records to strengthen consistency, accountability, and compliance.
- Apply higher education policy, financial administration standards, and student-centered service practices to support operational effectiveness and institutional integrity.

Graduate Assistant

North Carolina Central University | Durham, NC

2025 - 2026

Course Title: Human Resource Development in Public Administration
Faculty Supervisor: Dr. Jose L. Irizarry, Ph.D.

- Contributed to graduate-level instruction in Human Resource Development in Public Administration, with emphasis on workforce development, employee performance, professional development, organizational learning, nonprofit management, and public sector leadership.
- Coordinated course preparation, instructional materials, grading support, student engagement, learning management system updates, and academic communication.
- Guided graduate students by clarifying assignment expectations, reinforcing course concepts, and strengthening research development.
- Reviewed student submissions for organization, clarity, source integration, formatting, and alignment with graduate-level academic standards.
- Developed curriculum-related resources, including discussion prompts, presentation content, case-study materials, and research support tools.
- Supported training-related instruction connected to performance development, employee motivation, diversity and inclusion, leadership development, and organizational effectiveness.
- Maintained instructional records, assignment tracking, communication logs, and course-related documentation in accordance with university procedures.
- Partnered with faculty to strengthen learning outcomes, assessment processes, course delivery, and continuous instructional improvement.

Senior Paralegal | Satterfield Law, PLLC | Hillsborough, NC

2022 - 2025

- Supported complex civil litigation matters involving personal injury, real estate disputes, employment-related claims, EEOC-related issues, mediation, arbitration, and settlement preparation.
- Performed legal intake, case review, document analysis, and structured fact-gathering to support litigation strategy, discovery preparation, client advocacy, and compliance-centered case management.
- Drafted, reviewed, and revised pleadings, discovery responses, contracts, correspondence, demand materials, and litigation documents requiring accuracy, confidentiality, and procedural compliance.
- Managed discovery production, evidence organization, document requests, timelines, case files, and litigation records to support attorney review, case development, mediation, arbitration, and trial preparation.
- Reviewed statutes, policies, procedural rules, real estate records, employment-related documents, medical records, insurance materials, and case evidence to identify relevant facts, timelines, damages, compliance issues, and supporting documentation.
- Prepared factual summaries, case chronologies, documentation packets, mediation materials, arbitration support documents, and written case materials requiring clear analysis, organization, and attention to detail.
- Served as a primary client liaison, maintaining discretion, confidentiality, professional communication, and sensitivity when handling complex legal matters, disputed facts, employment concerns, property issues, and injury-related claims.
- Administered case lifecycle functions through MyCase, including calendaring, e-filing, documentation tracking, client communication, records management, and litigation deadline monitoring.

Program Administrator | Transformative Youth | Cary, NC

2021 - Present

- Support nonprofit administration, board leadership functions, organizational planning, and program development for youth justice, diversion, and transitional support initiatives.
- Develop policies, procedures, program standards, operational workflows, and service-delivery models to strengthen compliance, accountability, and organizational structure.
- Contribute to budgeting, grant writing, funding strategy, resource planning, and sustainability efforts to support nonprofit growth and program implementation.
- Coordinate community engagement, stakeholder communication, referral partnerships, and collaborative relationships with justice, education, behavioral health, and community-based organizations.
- Design training materials, outreach content, program resources, and implementation tools related to restorative justice, trauma-informed support, youth development, and reentry-focused services.
- Maintain confidential participant, program, board, and administrative records while supporting documentation, reporting, and organizational compliance.
- Apply public administration, nonprofit management, policy analysis, and justice reform knowledge to support program design, strategic planning, and community-centered service delivery.

Executive Director | Trinity Healthcare Partners | Durham, NC

2014 - 2021

- Directed healthcare administration, regulatory compliance, personnel documentation, credentialing, onboarding, recruitment, and staff record management.
- Facilitated staff training and compliance education to strengthen workforce readiness, service standards, and regulatory performance.
- Maintained organizational policies, procedures, compliance files, quality assurance processes, and internal controls to support CARF accreditation readiness, audit response, and operational accountability.
- Analyzed operational data, staffing needs, compliance records, service trends, and quality assurance findings to support reporting, research, process improvement, and leadership decision-making.
- Protected confidential client, personnel, medical, and administrative records in accordance with HIPAA privacy standards, healthcare documentation requirements, and internal confidentiality protocols.
- Supported workplace safety, personnel compliance, employee documentation, and health-related administrative requirements consistent with OSHA standards and healthcare operational requirements.
- Managed budgeting, contract compliance, financial forecasting, staff coordination, and healthcare operations to support compliant and efficient service delivery.
